Sirs:

Request is hereby made for a Certificate of Correction in the above noted U.S. Patent, as detailed in the attached Form PTO-1050 (two copies provided). Additionally, the correction of a significant transcription error by the PTO, in column 19 of the application's specification is requested, as further detailed in the attached Form PTO-1050.

No fees are presently required to process this request. However, the Commissioner is authorized to charge PTO Customer Account 50-0269, if any fees are deemed necessary.
